With its unique blend of historical charm and contemporary elegance, this venue ensures every event is both distinctive and unforgettable.

Our venue features several adaptable spaces that cater to any occasion, from grand galas in our breathtaking Grand Edwardian Ballroom, capable of accommodating up to 350 guests, to more intimate gatherings in our cozier Burnett Lounge.

Each space within The Bowdon Rooms is exquisitely decorated, combining period features with modern flair, creating a stunning backdrop for photographs and memories. Our state-of-the-art sound and lighting systems enhance the atmosphere, ensuring every moment feels special.

Designed by world-renowned architect Frank Brockhouse Dunkerley, the building has an abundance of character and charm. At over 125 years old, the authentic Edwardian character and decadence offers a superior environment for you and your guests.

From its porte cochère and 50 foot vaulted ceiling, The Bowdon Rooms has been described as one of the finest examples of its kind in the UK. Having undergone a multimillion pound refurbishment in 2021, the building has been lovingly restored, restyled and boasts modern technology whilst retaining charm and splendour.

At The Bowdon Rooms, our dedicated events team goes above and beyond to ensure that every detail is taken care of, from initial planning stages through to the conclusion of your event.
